Basic Digital Darkroom

(Ages 16 yrs & up)

This class is an entry level class on digital editing of photographic images. (Based on Adobe Photoshop Elements 10 Software & PC computers). Editing terms, tools, menu selections, and options will be reviewed along with tips on file sizing for e-mail, web applications, and printing. The class will include discussions about cropping, image sharpening, noise reduction, and adjusting exposure, contrast, hue, and saturation. Tips will include how to remove distractions, add text, straighten horizons, and use layers and masks. Through demonstrations, PowerPoint slides, assignments and in-class practice, the instructor will help you improve your image editing skills. With nearly one on one instruction, the teacher will be able to customize the course to your needs. (6 hours on instruction)

Bring to class a memory card from one of your digital cameras with 10 to 20 images you might wish to work on. Bring laptop computer and a card reader with a USB connector suitable for transferring images from your memory card to your computer. Students should be familiar with rudimentary PC and digital camera operation.

2 classes (identical content), each 1.5 hrs, 4 sessions
(Limited class size for more personalized instruction—maximum 3 students per class)

Homeschool Programs

Homeschool Arts & Crafts (03810)

Join us for fun and exciting projects using glue, glitter, paint and much more. Participants will learn basic hand sewing, learn about the color wheel and much more! This class has been specifically designed for our home school group ages 6-11 years.

Dates: Wednesdays, 2:00 – 3:00pm

Fee: Member \$45 Youth Member: \$60 Open Rate \$90

Homeschool Drama Program (03323)

(Ages 6 - 11 yrs)

This class is an introduction for children into theatre. The class will use fun activities to teach children about improvisation and the basics of acting. We will work with age appropriate material focusing on speech, stage presence and line memorization. Children will work up to a mini performance at the end of the seven week session.

Dates: Wednesdays, 10:00 – 11:00am

Fee: Member \$20 Youth Member: \$30 Open Rate \$40

Homeschool Gardening (03870)

(Ages 6 – 11 yrs)

It may still be cold outside, but it's not too early to start thinking about your warm weather garden. Participants will learn the basics of garden planning, recycling, making compost, and planting seeds. During the last class they'll make a garden inspired snack.

Fee: Member \$20 Youth Member: \$30 Open Rate \$40

Youth/Teen Programs

Teen Nights at the Y

(Ages 11 – 14 yrs)

Join us for a DJ Dance night including a night of dancing, rockwall, snacks, games, and more! The rock wall will be open during teen night – appropriate dress and footwear is required. All parents/guardians must sign a waiver for teens to participate on the rock wall. Some snacks will be provided at no additional fee. Pizza will also be available for purchase in the lobby.

Dates: (01) Sunday, February 19 7:30 – 9:30pm

Fee: Member \$5 Youth Member: \$7 Open Rate \$10
