## **MISSION STATEMENT**

The Y is a charitable organization in Central Maryland dedicated to developing the full potential of every individual through programs that build a healthy spirit, mind and body for all.

## **CHARACTER DEVELOPMENT**

No matter where or how you encounter the Y — whether you or your child come to exercise your brain or your brawn, workout or hangout, make a new intellectual connection or meet a new friend — whether you encounter us at a Y Center or at any of our Youth Development programs, you will encounter a Y team and charitable mission that is values-based and focused on character development. Our long-standing core values of caring, honesty, respect, and responsibility run through all we do. They are fundamental to what we expect of ourselves, what our associates are trained to model and teach, and what we hope our members and participants will reflect as well.

## **COMMUNITY LEADERSHIP BOARDS**

The Y is dedicated to facilitating deep community engagement to help build strong communities. One of the primary ways we accomplish this is through our Community Leadership Boards made up of volunteers from each community served. Community Leadership Board member involvement is fundamental to our ability to provide much-needed financial aid and support for those in Y communities who otherwise cannot afford Y services and programs. Community Leadership Board members plan various fundraising activities to support our “Y Campaign For A Better Us” and undertake a variety of volunteer activities which advance the Y mission. We invite your active participation. Those interested in serving on the Community Leadership Board for their community are encouraged to contact Debra Einstein at [debraeinstein@ymaryland.org](mailto:debraeinstein@ymaryland.org).

## **Y CAMPAIGN FOR A BETTER US**

Fundamental to our mission is the idea and practice of inclusion for all regardless of race, religion, gender, age or economic circumstance. That’s what the “Y Campaign For a Better Us” is all about—raising funds so that Y programs and services remain accessible to those who can’t otherwise afford them. The end result strengthens our whole community. Throughout the year, you will be asked to consider contributing. Any amount helps. Thank you in advance for your consideration and support.

## **OPEN TO ALL**

Y in Central Maryland membership is available to all individuals and families regardless of race, religion, gender, age, or economic circumstance.

## **OPEN DOORS—Financial Assistance**

Fundamental to our mission is the idea and practice of inclusion for all, regardless of economic circumstance. That's why we work hard to raise the funds needed to provide financial assistance for those who can't otherwise afford our programs and services. Please give if you can. Ask for help if you need it. Open Doors applications are available at [ymaryland.org](http://ymaryland.org) and at the Welcome Center. For more information, please contact the Member Services at your local Y center.

## **SUGGESTIONS AND COMMENTS**

We are 100% dedicated to providing a superior membership experience for you and realize that starts with good listening. Please share your comments, ideas and concerns. Knowing them is the only way we can truly deliver the kind of experience you expect and deserve. Comment cards are available throughout the center for your use and we are always available to talk to as well. Please help us be the best we can be!

## **HOLIDAYS**

Holiday closings vary. Please go to [ymaryland.org](http://ymaryland.org) to view the holiday schedule for your Center.

## **INCLEMENT WEATHER**

At the Y, service to members is priority. However, in the event of inclement weather where we cannot provide our services in a safe manner, class cancellations and closings may occur.

All unplanned closings, delays and cancellation announcements will be made via our text alert system. We strongly recommend that all Y members sign up for text alerts. You can sign up for alerts that impact an entire Center or a specific program. Set your alert preferences at [ymaryland.org/alerts](http://ymaryland.org/alerts).

These announcements will also be posted on your Y's Facebook page.

## **ANNUAL MAINTENANCE**

All Y Centers set aside a period of time, usually at the end of August, for annual preventive maintenance, cleaning, pool draining and revitalization. We will post the availability of program areas during this maintenance period.

## **SAFETY AT THE Y**

We have taken many precautions to provide for your safety while you participate in activities at the Y. Because many of the activities at the Y involve physical exercise, it is strongly recommended that all adults 18 and over consult their physician prior to beginning or continuing an exercise program or activity at the Y. Please follow proper hygiene and common sense safety habits while at the Y. Safety regulations have been posted in several locations throughout the center. Please adhere to these rules and notify a Y associate if you have a safety concern. Please report any incidents or injuries to the Director or Manager on duty.

## **GUEST POLICY**

As a membership-based organization that serves its community, the Y supports members who are encouraging a friend to join or inviting a friend for a visit. All centers have Guest Hours and may restrict guest usage to ensure the safety and comfort of our current members. We highly encourage members to contact the Y prior to visiting with a guest to ask about guest restrictions due to demand on the facility.

- One complimentary visit per person, per year (Jan 1—Dec 31) when accompanied by a current member
- Additional visit (or visits without accompany by a current member) \$10 per person, per visit

## **NATIONWIDE MEMBERSHIP**

When you join the Y, you become part of a national movement of 18.1 million members in more than 2,400 Ys. Because each Y is autonomous, not-for-profit, and not a franchise, local policies vary on the use of equipment, facilities and services by visiting Y members. If you plan to visit another Y, outside of Central Maryland, please call that Y regarding visiting member policies. General guidelines for Y Members outside of the Y in Central Maryland:

- Guest must maintain a majority of their visits (in a month) at their hometown Y.
- No additional charges for visit.
- Use of facilities, services, and equipment are included; however, discounts on programs and services may vary.
- All Y in Central Maryland locations are part of one association; therefore, a visit to one location counts as a visit to all Central Maryland locations.

## **MEMBERSHIP TYPES**

SENIOR ADULT: any person age 65 and older

## **MEMBERSHIP POLICIES**

Y in Central Maryland joining fees and membership fees are established by the Association Board of Directors based on a 51-week period (one week is devoted to major maintenance and repairs).

Association-wide memberships gives access to all Y in Central Maryland Centers. Some centers offer center-specific memberships which are valid only at that one center. A one-time joining fee is due at the time of sign-up for new members (excludes individual memberships for ages 13-24). "New" is defined as not having a Y membership in the last 30 days. All joining fees and membership fees are non-refundable and non-transferable.

Membership is continuous. Membership fees are paid by either a 12-month advance payment or automatic monthly draft by paying the stated fee via your bank checking or savings account or credit card, if applicable. Rates are subject to change. A 30-day notice will always be sent by mail notifying you of any rate changes.

A charge of \$25.00 will be assessed for any electronic draft or check not honored by a member's bank due to insufficient funds or closed accounts. If an electronic withdraw is not honored, the member will be required to pay the past month's dues and a \$25.00 service charge in cash, charge or certified check.

**All members are required to show or scan a valid membership card or photo ID when entering the center.**

## **TERMINATION OF MEMBERSHIP**

We hate to see any members go, and work hard to maintain your trust, but if you decide to leave, here is the policy:

Members who choose to pay their membership fees via monthly bank draft are on a continuous membership plan. This membership will remain in effect until you initiate its termination by filling out a Y in Central Maryland membership cancellation form. Cancellations must be done 30 days in advance of the date your payment is deducted. Failure to do so will result in that month's dues being drafted.

Memberships paid via annual payments expire after the end of the one-year contract with the option to renew at that time.

Joining fees and membership fees are non-refundable and non-transferrable.

**The Y in Central Maryland reserves the right to terminate or revoke membership in cases of misconduct or policy violations.**

## **REINSTATEMENT OF MEMBERSHIP**

Expired memberships may be reinstated within 30 days of expiration without repaying the joining fee. Those individuals who wish to reinstate their membership after the 30-day grace period will be required to repay the joining fee.

## **MEMBERSHIP CARDS**

All members must present a valid card upon entry into the center. To ensure a prompt and convenient entry into Y Centers, each member is given a membership card. Members may also use "The Y in Central Maryland" app (available in the Google Play or iTunes store) for entry. There is a \$5.00 replacement fee for lost or stolen cards.

## **ACTIVITY SCHEDULES**

Activity and program schedules are posted throughout the center. Occasionally, the schedule will change to accommodate special events and activities designed to serve the changing desires and needs of our community.

Online activity schedules are also available at [ymaryland.org](http://ymaryland.org). Members may also access activity schedules via "The Y in Central Maryland" app.

## **PROGRAM REGISTRATION**
