Magic Happens

→ WHEN YOU'RE AT CAMP →

CAMP EXPERIENCES SHAPE LIVES

With homework on hold, summer provides an opportunity for families to focus on other facets of growth and development. At Y Camp, children can unlock new skills, realize hidden talents, and learn that there are no limits to what they can achieve.

It's easy to overlook these kinds of opportunities. After all, activities such as archery simply look like summer fun to the untrained eye. But it isn't just archery - it's also building confidence. Skills developed, friendships forged with children from other backgrounds, life lessons learned - these are what help shape youth into positive, empathetic people who are unafraid to try new things, value diversity, and believe they can succeed.

HELP YOUR CHILD FIND THEIR TRUE NATURE AT Y CAMP THIS SUMMER

Select from a range of experiences that appeal to your child's interests and needs. From overnight camp experiences at Camp Hashawha to horseback riding at Camp Spencer, to traditional day camp opportunities at Y centers, there's an experience that fits every nature.

STEP 2 – REGISTER FOR CAMP

- Select your weeks and click the blue register button. Complete all requested information.
- Checkout by making your payment. If you have a promo code, you will use it at checkout.

During your initial registration, you must accept a waiver stating that you agree to be charged a one-time, non-refundable, non-transferable registration fee (per camper). The fee will be added to your Y account and charged to the credit card used at the time of registration. If the fee is \$0 during a promotion, you must still accept the waiver. *Please Note: If you register for additional camp weeks at a later date, the waiver will reappear and must be accepted, however you **will not** be charged an additional registration fee.*
