

We have more wonderful Shout Outs of incredible Y associates. I hope you enjoy reading them as much as I did!

Zalanka Jones Anderson (Camp and Family Experience Director, The Greater Annapolis Y in Arnold)

We received this comment from Doug Currier on the Rally for the Y community page: "I want to shout out Zalanka JA. Not only is she the #2 fundraiser to this point, bringing in nearly \$1,200 on her own, but she is also paying it forward by making her own personal contribution to Kyle Eggenberger's ride at the Mel Korum Y in Washington. We're two Ys across the country from one another, but Zalanka loves what Kyle is riding for and is supporting him. What a great testament to the power of the Rally and the power of Ys working together for the greater good! Zalanka JA, you are awesome!" (Submitted by Brian Hauer)

Devin Ratte (Fitness Coach) and Michelle Pickett (Membership Services Associate) (The Hill Y in Westminster)

When closing the center, Devin and Michelle found a member in the locker room who was not feeling well and felt that his glucose levels were seriously off. They assisted him with the necessary first aid guidelines, stayed with him and supported him during the appropriate 911 actions and continued to assist while the ambulance took him to the hospital. They even drove his car to the hospital to ensure his car would be ready when it was time for him to drive again! This was an amazing example of our mission work and dedication! Job WELL DONE! Needless to say, it was approaching midnight before these team members returned home from their Y work day. (Submitted by Karen Farley)
