

We have lots of terrific Y Associate Shout Outs today. Great work and teamwork everyone!

Lucia Perfetti Clark (Personal Trainer, Group Exercise Instructor and Rock Steady Coach, The Orokawa Y in Towson)

I always knew that Lucia was a great instructor, but I witness her amazing work as a Yoga instructor with our Rock Steady group. Her knowledge about what to do with and for the participants with Parkinson's was phenomenal. Her skills as a Yoga instructor are amazing, from her movement, descriptive poses, and cadence of her voice, and even her humor. I enjoyed watching her shine! (Submitted by Kelly Keh)

Trena Franklin Mundy (Lead Teacher, Y Head Start at Merritt Park)

Ms. Trena is a PHENOMENAL associate and lead teacher. She is incredible with the children, as well as with her fellow associates. She is patient and understanding. She is always there and ready to help whenever and wherever it's needed. She is a team player and genuinely cares for those around her and in her care. Ms. Trena is an all-around AMAZING teacher, associate, friend and individual. (Submitted by Megan Horky)

Jon Stone (Property Director, The Y in Pasadena)

Jon has been a great support to the Greater Annapolis Y in Arnold whenever we have needed an extra hand. Even though he has an entire Y family center that he is responsible for already, he always answers our calls and helps whenever he can. When Jon is able to make time to come help at the Greater Annapolis Y in Arnold he always engages with campers, members, and associates. Not only is Jon someone that our associates and we can learn from, but he has been supportive and a sounding board for all of us. Madeline Wright (Head Lifeguard, The Walter & Betty Ward Y in Abingdon)

Madeline has been a ROCKSTAR this summer leading camp swim lessons and helping manage the pool deck throughout the day. Her presence on the pool deck is well known by not only her voice but the smile on her face! Madeline, thank you for all you do for the Ward Y's Swim department! We are lucky to have you on our team. Keep up the great work! (Submitted by Courtney McKearin)

Natasha Bentzen, Ahmad Collick, Paige Coressel, Ramona Dowdell and Justin Hunt (Y Technical Assistance Associate Executive Directors for Baltimore County Public Schools, Y School Partnerships)

A HUGE SHOUT OUT to the amazing team of Associate Executive Directors who support the Technical Assistance and capacity building work in Baltimore County. Last week, we put on a Community School Symposium for all district stakeholders. The AED team led sessions and workshops for almost 200 stakeholders throughout the day. Evaluations from their

sessions and the day included comments like, "I honestly loved the event, the welcoming feeling, the energy of participants and leaders, and networking opportunities" and 100% of participants agree that they are excited about Community Schools in Baltimore County this year. Congratulations to an amazing team for their efforts to create such an engaging day! (Submitted by Jessica Chiamonte)
