"Do it Daily"

Please update or check timesheet errors/missing punches frequently throughout the pay period. As little as 15 minutes a day can save everyone time at the end of the pay period.

TIPS:

- **Friendly Payroll Reminders** are sent daily for shifts missing punch out times. Please respond to these within 48 hours to resolve the error. Please let us know if you need our assistance
- Make sure to do a **midyear tax checkup** to avoid surprises later. Review your pay stub, update your address, update your marital status or your number of dependents.
- In Dayforce go to Your PROFILE and then to FORMS to **review all of your personal information.**
- **Update your Emergency Contacts** in the event that there is a need for us to contact someone on your behalf.

Pay Cards: For new associates who have not entered banking information by the time that we process the first paycheck, a Rapid Pay card will be issued. An email communication will be sent when this is added to the associate's profile and the pay card will be mailed to the address that we have in Dayforce. The bottom of the earnings statements details the account information where a deposit was sent.
