

ASSOCIATE TOWN HALLS: OUR STRATEGIC PLAN

We're taking our new Strategic Plan, *All In On Community*, on the road! Throughout the months of November and December, there will be a series of **in-person town hall events** available to associates. These are excellent opportunities to ask questions and learn more about our new strategic plan, which was mailed to associates at the end of October.

All Y associates should plan to attend an event so that you can understand all of the changes taking place as of January 1, 2023, as well as effectively help our members and participants. **Full-time associates are required to attend one event. Part-time associates are strongly encouraged to attend.**
