JOINMARYLAND.ORG

Refer a Friend, Get a Free Month!

As a Y Member, you know firsthand that the Y is the ultimate place for healthy activity, family fun, and community goodness all under one roof.

Spread that goodness and refer a friend to the Y! When they join and stay for at least 90 days, you'll receive a free month of membership!

How to get your credit: Fill out the **red fields** in the bottom portion of this form, give it to the friend you're referring, and have them return it to the Y when they join!

If you have questions about referring a friend, please contact your local Y Family Center.
