

YMCA RETIREMENT FUND

SAVINGS FOR LIFE

It is never too early to start thinking about the future. As a Y associate, you are entitled to a unique retirement benefit that rewards a career of service to the Y with lifetime income in retirement.

To learn more about the benefit, consider registering for an upcoming ***Understanding Your Y Retirement Fund Benefit*** and/or ***Retirement Strategies: Creating Your Plan*** virtual educational session. These highly sought-after virtual training classes offer valuable information about the Fund's two Plans and how Y associates can achieve lifetime income in retirement.

Click on the course name below to get more information and register for an upcoming session.

- [Understanding Your YMCA Retirement Fund Benefit](#): *a 45-minute virtual training designed for new hires or those ready to save for retirement*
- [Retirement Strategies: Creating Your Plan](#): *a three-hour instructor-led virtual training designed for those who are within ten years of retirement*

No spots available? No problem! The Fund releases the schedule for sessions on a monthly basis so be sure to check back often for new times. You can also visit the Fund's [Learning Center](#) for even more retirement resources.

Visit www.yretirement.org for more information and resources.
