We've had some changes within our workforce since the last regular edition of US!

MAKING MOVES

We are excited to announce that **Eugene Lloyd** has accepted the position of **Executive Director of Fitness** for the Y in Central Maryland! In his new role, Eugene will be responsible for leading our fitness strategy and providing supervision for all Y Family Center fitness initiatives, operations, associate training, group exercise, personal training, and more.

Eugene has worked in the fitness industry for 27 years and has been with the Y for the last three years where he served as the Fitness Director and most recently, the Operations Director at the Ward Y in Abingdon. Eugene has been instrumental in building programs and services to enrich the member experience at the Ward Y, as well as building community relationships through collaborations with the NAACP, Harford County Department of Health, Refuge Temple COGIC, and the Physical Education Department of the Harford County School District.

We look forward to Eugene bringing his vast experience and resourcefulness into his new role to lead our fitness strategy. He will report directly to Christie Ryan. All Regional Fitness Directors will report to Eugene. An updated org chart for the Family Experience Team is available [HERE](#).

Over the next month, Eugene will transition into his new role as we look to hire a new Operations Director at the Ward Y.

Please join us in congratulating Eugene on his new position!

FAREWELL

It was with mixed emotions that we said farewell to two of our colleagues at the end of December. **Jacques Wiecech**, Regional Fitness Director (Arnold, Pasadena, & Ward) has accepted a position with Johns Hopkins Medical Center, and **Jazmyn Hudson**, Associate Executive Director at the Dancel Y in Ellicott City, has accepted a position with the Y of Greater Brandywine in Pennsylvania.

We appreciate all of Jacques' and Jazmyn's dedication to serving our communities and wish them well in their new endeavors.

A charitable, cause-driven organization working for community well-being.
The Y.™ For a better us.
