

REFER A FRIEND

JOINMARYLAND.ORG

Refer a Friend and You Both Save!

As a Y Member, you know firsthand that the Y is the ultimate place for healthy activity, family fun, and community goodness all under one roof.

Spread that goodness and refer a friend to the Y and you'll both get rewarded! We'll waive the joining fee for your friend, and you'll get a month of membership for FREE when they remain a member for 90 days.

How to get your credit: Fill out the **red fields** in the bottom portion of this form, give it to the friend you're referring, and have them return it to the Y when they join. If your friend decides to join the Y online before coming into a Family Center, make sure they use promo code "YFRIEND" at checkout.

If you have questions about referring a friend, please contact your local Y Family Center.
